An advertisement banner for ATLAS.ti. On the left, the ATLAS.ti logo is displayed above the text "QUALITATIVE DATA ANALYSIS". Below this, the headline reads "Be a researcher. Not a software specialist." followed by a sub-headline: "Get things done with the most intuitive and easy-to-learn software for QDA and mixed methods in science, market and UX research." and the website "www.atlasti.com". In the center, there are icons for various devices (phone, tablet, laptop, desktop monitor) showing the software interface. Above these icons, the text "easy to learn easy to use" is flanked by two leaf icons. On the right side of the banner is a profile of a person's head with a forest scene overlaid on it. At the bottom, the text "One account, all platforms" is followed by icons for Windows, Mac, Web, Android, and iOS.
